100%  
ELECTRIC

Walingas' EVolution trailer is 100% electric. No more hydraulics, no more wasted oil. Trailer mounted Lithium Ion batteries drive electric motors producing immediate torque with infinitely adjustable speed. A significant opportunity for real-time performance monitoring that minimizes grain damage while optimizing transfer speeds. PTO's now easily spin a generator that maintains the battery pack charge. No more hydraulic heat management issues, no more caustic spent hydraulic fluids.

ELIMINATES HYDRAULIC WASTE OIL

Powerful electric drive motors drive each auger. High torque makes light work of transfers while speed controllers permit fine tuning of transfer speeds minimizing grain damage.

ELECTRIC DRIVE  
AUGERS

Each section of railing is individually controlled, raised or lowered by an electric drive. Mechanical actions are quick. Automated motion is automatically halted if the movement is obstructed.

ELECTRIC DRIVE  
RAILINGS

It bears repeating, powerfully specified electric motors make easy work of roof openings and closings. Gone is the need to run any hydraulics, everything works with the 'flip of a switch'.

ELECTRIC DRIVE  
ROOF

Regardless of chosen gate design, powerful electric drive motors ensure gates are easily repositioned. In-Cab, remote tablet or trailer side cabinet controls are available.

ELECTRIC DRIVE  
GATES

Electric drive motors respond instantly with full torque. Increasing efficiencies of most trailer functions.

INSTANT FULL TORQUE

**Authorized Service Provider**

All Walinga equipment is designed and manufactured to exacting, ISO certified quality standards. Beyond any individual component warranties, all Walinga manufactured chassis are covered by an All Inclusive Five Year Structural Warranty.

Ride with confidence knowing that Walinga's established and trained network of North American Authorized Service Providers are ready to serve, a dealer and service network that continues to expand globally.

The EVolution trailer is built to the same standard of all Walinga transportation equipment. Expect all the same legendary support, service and warranty that Walinga is known for. Walinga is built upon relationships and values that extend well beyond the product.

NEW - Innovative aero diffuser.

Gone are hydraulic valving controls. New tidy electronic controls cabinets combine with partitioned storage bays.
